📍 Anadamethgama rd, Kirindigala, 70100 Balangoda

Profile

Dynamic and results-oriented Associate Level Full-stack Developer, graduated from SLIIT in 2023, equipped with a solid foundation in software development and project management. With a passion for crafting innovative solutions, I thrive in fast-paced environments, leveraging a diverse skill set to drive the successful completion of projects. Proficient in a range of programming languages and technologies, I bring creativity, adaptability, and a keen eye for detail to every task. My collaborative nature and effective communication skills enable me to seamlessly engage with cross-functional teams and international clients, ensuring project objectives are met with precision and excellence. Seeking opportunities to further expand my expertise and contribute to impactful projects in the field of software development.
